REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The instant invention claims a dimensionally stabilized lumber product and a method to obtain such product. The closest prior art references that relate to the claimed invention are Rowell'384, Goldstein'431, Steiner article, Brelid et. al. article. The closest prior art teaches that it is well known in the art to acetylate wood. However, the prior art does not teach or suggest the instant invention wherein the specific conditions regarding method and article are claimed..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to leszek b kiliman whose telephone number is 571-272-1509. The examiner can normally be reached on M-T, 6.30-5.00.

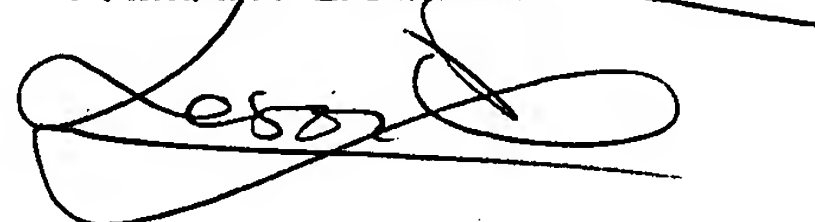

The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
